Defendant, Monte Melugin, requests this Court to continue his sentencing until on or after March 23, 2011 and, in support of this motion, sets forth the following facts and argument.

1. This Court set sentencing in this case for March 9, 2011.
2. Undersigned counsel intends to prepare a sentencing memorandum on behalf of Mr. Melugin requesting this Court to vary from the guidelines and impose a sentence below the guideline range.
3. In support of this motion the undersigned intends to attach the reports of expert witnesses. Counsel needs additional time in order to receive and evaluate those reports, and then draft a sentencing memorandum.
4. The government does not oppose this continuance.
